WELCOME

TO HOPE RESTORATION COLLEGE

Dear Parent

Thank you for taking a moment to read and know more about our school program and offering. We are delighted to introduce you to the purpose behind the establishment of our school.

In 2010 my wife and I noticed a sad reality; that our education system was no longer intentional in developing the leaders of the future. We also noticed the alarming and aggressive intent to remove Christian values from classrooms and schools in general. The standard of academic excellence in our nation had also started its embarrassing decline. It was from this premise that we established both Hope Restoration College and Little Hope Nursery (now Hope Restoration Nursery) as the centers of excellence to facilitate academic excellence, leadership development and spiritual depth in the lives of our learners.

Since the inception of these two centers of excellence, we have been overwhelmed by testimonies of families who have noticed drastic changes and transformation in the lives of their children. Some parents are citing personal mastery and visible leadership in daily home activities, some excitedly sharing behavioural changes observed within a short space of time, and some are impressed in the newly developed interest and ownership in academic work within their children; our learners.

Our classroom or learning center experience positions the learner to take ownership of their life, studies and the relationships around them. You will agree with us that this type of responsibility has become a thing of the past in the life of an average learner.

We would like to welcome you and your child/children to this life changing experience. The rest of this enrolment pack will help facilitate a seamless process up to the successful admission of your child. Our team of passionate and knowledgeable School Administrators will guide and lead you through the process.

We look forward to a mutually rewarding relationship with your family. Together, let us build champions for our generation and generations after us.

Regards,

Rev SC & Ps PA Mathebula
Dear family

MEET OUR PRINCIPAL

Greetings in the name of Jesus Christ my Lord and Saviour!

I would like to warmly welcome your family to Hope Restoration College. We are a loving family because our school was founded upon the vision of bringing 'Hope to our world' and we believe Christian education is the tool to save our nation, and the world society at large.

We offer world class, state of the art, Christian education, packaged in our Individualised Christian Curriculum, that targets to benefit individual learners who are at different cognitive levels of learning / development and at different working paces.

The individualised curriculum is purposed to guide individuals to a place where they reach their full potential, exposing them to much more than just academics.

Hope Restoration College (HRC) is an Independent registered institution with the Department of Education (GDE), and offers a curriculum that is non-inferior to our national curriculum 'CAPS'. In fact our curriculum is aligned to the national curriculum and assessment policy statement, it has been proven competitive to many other curricula implemented here in South African schools.

Hope Restoration College`s individualised curriculum, places emphasis on holistic education which includes the spiritual and moral maturity, and learners are lead by the example of living according to the Biblical principles and honourable values.

All staff members are born again Christians, and their lives direct learners to Christ.

Bringing your child(ren) to Hope Restoration College has many benefits, and you will never regret your decision.

We allow learners to accelerate at their own working pace in a secure environment. They engage in academics, sports, extra-mural activities, Christian camps, outreach programmes, only to mention a few.

We look forward to journeying together as one big family.

Sincere regards

Joyce Chanyandura – College Principal

STATEMENT OF FAITH

Since Hope Restoration College is a Ministry of the Kingdom of God, this statement of Faith forms the basis of our confession of Faith:

- We believe in the Godhead, the incomprehensible Trinity: God the Father, the Son and the Holy Spirit.
- We believe in Salvation ONLY through our Lord Jesus Christ, who came into this earth to give His life a ransom for many.
- We believe in the Holy Spirit (the third person in the Trinity) and His gifts to the church, which should be desired by every believer.
- We believe in the Holy Bible / Scriptures as the only infallible, authoritative Word of God.
- We believe man was created holy and upright, but through sin came under God's condemnation and could not save his soul. It was only through Jesus Christ`s death, resurrection and ascension that brought redemption to all mankind.
- We believe in Water Baptism which symbolises our dying to the "old man" and the resurrection of the "new man" to walk in "newness of life".
- We believe in the baptism of the Holy Spirit, which should be accompanied by the gift of speaking in tongues as stated in the scriptures.
- We believe in the Lord`s Supper, the sacrament instituted by the Lord Himself, which should be practised until His Second Coming.
- We believe in miracles and divine healing, that both are gifts of the Holy Spirit given to the church for the profit of all.
